**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy customer with a competitively-priced internet-only package from Sonic.Net, unencumbered by unwanted extra services like TV or telephone.

I was previously connected with competitive DSL, and have recently been upgraded to fiber (also with Sonic.Net).

Competitively-priced broadband enables me to work at home when necessary, to spend more time with my family and small children.
